Dear Kiran Shetty

To understand yourself is the beginning of wisdom.

You are Problem-Solving, Gustatory and Dominant Entrepreneur

You need a network of people to help you grow your business, enter the picture and troubleshoot the possible problems the group might face, you can multitask, troubleshoot and solve problems. You are known as an entrepreneur.

Your physical environment, describe you are: Characteristically Introvert & Socially Introvert

You are inward turning, or focused more on internal thoughts, feelings and moods rather than seeking out external stimulation. You tend to be more quiet, reserved, and introspective. You expend energy in social situations; after attending a party or spending time in a large group of people, you feel a need to “recharge” by spending a period of time alone.

To describe you the best, you are : An Idealist

You are visionary and imaginary, and envision an ideal world rather than the real one. You strive for perfection to make the world a better place. You tend to pursue higher purposes and goals, though others view you to be impractical and out of touch with reality. You are a person with many ideas.

Your Hidden Potential - "Blind Spot" :

You are probably not aware that you are a straight-forward, charismatic & influential leader who demonstrates good interpersonal skills. Often innovative and able to work independently, relies on your emotions for decision-making.

Your Hidden Potential - "Intuition" :

You are a meticulous strategist, who has good planning and administrative skills, likely to invest in education, system and infra-structure for people to follow. You are known to be a law abiding person, forward looking and always base your opinions on facts and logic.
