Dear Kiran Shetty

To understand yourself is the beginning of wisdom.

You are Business-minded, Visual and Compliance Creator

You keep on creating new ideas/ strategies, your efforts finally pay off and you attain SUCCESS, the last person is the one who is business minded and creative, good in packaging, and combines many successful ideas into one viable idea.

Your physical environment, describe you are: Characteristically Introvert & Socially Introvert

You are inward turning, or focused more on internal thoughts, feelings and moods rather than seeking out external stimulation. You tend to be more quiet, reserved, and introspective. You expend energy in social situations; after attending a party or spending time in a large group of people, you feel a need to “recharge” by spending a period of time alone.

To describe you the best, you are : A Realist

You prefer to rely on facts and past events, rather than hopeful feelings and wishes to predict the future. You communicate realism rather than visionary thoughts. You love the best of both worlds.

Your Hidden Potential - "Blind Spot" :

You are probably not aware that you are a principled and grounded architect, developer and builder. Recognised as a filial child and loyal friend. Gives others an impression of steadiness, with a good sense of direction.

Your Hidden Potential - "Intuition" :

You are a meticulous strategist, who has good planning and administrative skills, likely to invest in education, system and infra-structure for people to follow. You are known to be a law abiding person, forward looking and always base your opinions on facts and logic.
