**Dear Kiran Shetty**

To understand yourself is the beginning of wisdom.

**You are Action Oriented, Auditory and Operational Taskmaster**

You like to move fast and be proactive to make your plan work, like to listen to the conversation, then carry out the task, as such, you need to be task-oriented, fast and aggressive in the things you do.

**Your physical environment, describe you are: Characteristically Extrovert & Socially Introvert**

You tend to seek out social stimulation and opportunities to engage with others. In group situations, you are likely to be more physically expressive, talk often and assert yourself. You gain energy from engaging in social interaction, gain inspiration and excitement from talking and discussing ideas with others.

**To describe you the best, you are : A Realist**

You prefer to rely on facts and past events, rather than hopeful feelings and wishes to predict the future. You communicate realism rather than visionary thoughts. You love the best of both worlds.

**Your Hidden Potential - "Blind Spot" :**

You are probably not aware that you are a dominant & expressive communicator with good negotiation skills. You are very much Intune to your emotions, Soft-hearted to most situations, and a sensitive person. You possess a keen sense of taste.

**Your Hidden Potential - "Intuition" :**

You are a meticulous strategist, who has good planning and administrative skills, likely to invest in education, system and infra-structure for people to follow. You are known to be a law abiding person, forward looking and always base your opinions on facts and logic.

**THAT'S ME,  
THAT'S MY  
CHARACTER,.**
