**Dear Kiran shetty**

To understand yourself is the beginning of wisdom.

**You are Righteous, Kinaesthetic and Influential Protector**

You start to see wealth after implementation of your plans, you must take care of the welfare of the people working, boldly protect their interests and be in charge of the financial matters of the group.

**Your physical environment, describe you are: Characteristically Introvert & Socially Introvert**

You are inward turning, or focused more on internal thoughts, feelings and moods rather than seeking out external stimulation. You tend to be more quiet, reserved, and introspective. You expend energy in social situations; after attending a party or spending time in a large group of people, you feel a need to “recharge” by spending a period of time alone.

**To describe you the best, you are : A Realist**

You prefer to rely on facts and past events, rather than hopeful feelings and wishes to predict the future. You communicate realism rather than visionary thoughts. You love the best of both worlds.

**Your Hidden Potential - "Blind Spot" :**

You are probably not aware that you are a responsible, disciplined workaholic with a good sense of grasping ideas, concepts and organising them all together. A good listener who is appreciative of music. Usually guided by emotions when on task.

**Your Hidden Potential - "Intuition" :**

You are a meticulous strategist, who has good planning and administrative skills, likely to invest in education, system and infra-structure for people to follow. You are known to be a law abiding person, forward looking and always base your opinions on facts and logic.

**THAT'S ME,  
THAT'S MY  
CHARACTER,.**
