Dear ll k

To understand yourself is the beginning of wisdom.

You are Research Based, Kinaesthetic and Influential Innovator

Whatever you want to do, you will usually initiate and make the 1st move, just like Adam the first man, the first person always needs to innovate and research and lead whoever that comes after.

Your physical environment, describe you are: Characteristically Extrovert & Socially Extrovert

You tend to seek out social stimulation and opportunities to engage with others. In group situations, you are likely to be more physically expressive, talk often and assert yourself. You gain energy from engaging in social interaction, gain inspiration and excitement from talking and discussing ideas with others.

To describe you the best, you are : An Idealist

You are visionary and imaginary, and envision an ideal world rather than the real one. You strive for perfection to make the world a better place. You tend to pursue higher purposes and goals, though others view you to be impractical and out of touch with reality. You are a person with many ideas.

Your Hidden Potential - "Blind Spot" :

You are probably not aware that you are a dominant & expressive communicator with good negotiation skills. You are very much Intune to your emotions, Soft-hearted to most situations, and a sensitive person. You possess a keen sense of taste.

Your Hidden Potential - "Intuition" :

You are visual, creative, very meticulous and self-centred when it comes to business or work. A law-abiding and conscientious person. Often spends on needs rather than wants. You do not believe in reinventing the wheels, however, you are good at repackaging to suit the needs of the situations.
