Dear jk p

To understand yourself is the beginning of wisdom.

You are Strategic, Visual and Compliant Administrator

You need to have a plan to carry out your intention, will have to see what is going on, then administrate the tasks, you then start a system, policy and infra-structure for people to follow.

Your physical environment, describe you are: Characteristically Extrovert & Socially Ambivert

You tend to seek out social stimulation and opportunities to engage with others. In group situations, you are likely to be more physically expressive, talk often and assert yourself. You gain energy from engaging in social interaction, gain inspiration and excitement from talking and discussing ideas with others.

To describe you the best, you are : An Idealist

You are visionary and imaginary, and envision an ideal world rather than the real one. You strive for perfection to make the world a better place. You tend to pursue higher purposes and goals, though others view you to be impractical and out of touch with reality. You are a person with many ideas.

Your Hidden Potential - "Blind Spot" :

You are probably not aware that you are a responsible, disciplined workaholic with a good sense of grasping ideas, concepts and organising them all together. A good listener who is appreciative of music. Usually guided by emotions when on task.

Your Hidden Potential - "Intuition" :

You are visual, creative, very meticulous and self-centred when it comes to business or work. A law-abiding and conscientious person. Often spends on needs rather than wants. You do not believe in reinventing the wheels, however, you are good at repackaging to suit the needs of the situations.
