Dear a ds

To understand yourself is the beginning of wisdom.

You are Diplomatic, Gustatory and Dominant Communicator

To move forward with your plan, you must negotiate with others, sell your product etc, only when Eve appears there to communicate, as now the two people have someone to talk to.

Your physical environment, describe you are: Characteristically Extrovert & Socially Ambivert

You tend to seek out social stimulation and opportunities to engage with others. In group situations, you are likely to be more physically expressive, talk often and assert yourself. You gain energy from engaging in social interaction, gain inspiration and excitement from talking and discussing ideas with others.

To describe you the best, you are : A Pragmatist

You are organised, structured, practical and goal-oriented. You are straight-forward and rely on facts and logic. You act in response to particular situations rather than upon abstract ideals and fixed theories. On the down side, you can be inflexible, rigid and dogmatic. To you seeing is believing.

Your Hidden Potential - "Blind Spot" :

You are probably not aware that you are a meticulous strategist, who has good planning and administrative skills, likely to invest in education, system and structure. You are known to be a law abiding person, forward looking and always base your opinions on facts and logic.

Your Hidden Potential - "Intuition" :

You are visual, creative, very meticulous and self-centred when it comes to business or work. A law-abiding and conscientious person. Often spends on needs rather than wants. You do not believe in reinventing the wheels, however, you are good at repackaging to suit the needs of the situations.
